

18th century château with five bedrooms and staff on site

Property overview

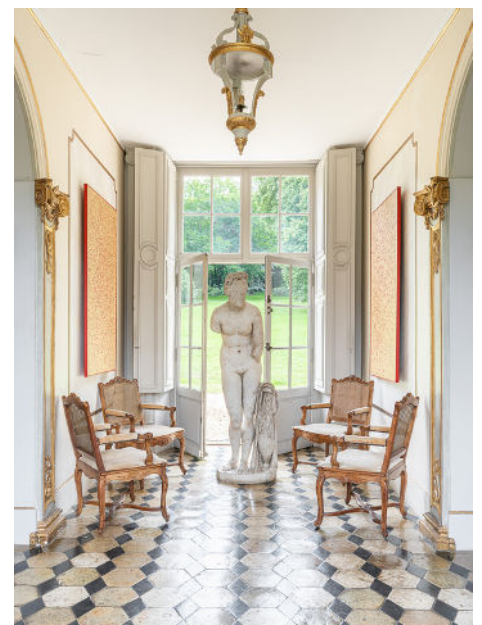

Welcome to this beautiful property nestled in a village at just **30km** south-west of Paris and **10km** south of the historic city of Versailles. This splendid 18th century estate, originally built by the Besset family, sprawls across 4 acres of meticulously landscaped grounds, featuring an impressive 800m² castle with 5 en-suite bedrooms, alongside a 350m² adjacent villa, with an optional 2 extra bedrooms.

Key features

The main house, exquisitely revisited by the famous Philippe Model has **5 en-suite bedrooms**, four of which are equipped with a bathtub, seamlessly blending classic elegance with modern comfort. The **dual dining rooms** offer both formal sophistication and cozy intimacy: the grand dining room easily converts into a luxury reception space for large gatherings, while the second, more intimate dining space can seat up to ten people, and sits adjacent to the **fully equipped kitchen**.

Outside, the property features an **18m infinity pool**, and a sundrenched lounge area, ideal for indulgent afternoons by the water. The property's extensive greenery with a manicured "jardin à la française" in the front and many **natural green shelters** adjacent to the forest in the back yield the property an oasis of tranquility and peace.

Full service staff on site

Elevating the living experience, the château offers the added luxury of two dedicated full-time staff members who have been taking care of the property for over 30 years. They are responsible for maintenance and housekeeping with the highest level of professionalism. Breakfast is served, additional cooking and meals can be arranged upon request. The full service and the property's unique features guarantee an unforgettable stay for every guest.

Finally, the property is also equipped with multiple **parking** spaces and an advanced **security system**.

Life in the village

The proximity to key 2024 Olympics Game venues ensures a seamless experience for guests at the property. **Golf, horse-riding & cycling** games are all located nearby allowing for easy access. The property also is an ideal starting point to engage in **outdoor activities**, with its prime location providing easy access to extensive forest **trails**, perfect for leisure walks, invigorating horse-rides, or scenic bike rides. Nearby fresh food **markets** showcase the region's commitment to sustainability and locally sourced cuisine, boasting fresh, organic produce for guests to enjoy.
